

Dear RAFIL ALAM,

**Young Engineer Award (YEA) ACHIEVEMENT**

Congratulations on achieving the “Young Engineer Award (YEA) ACHIEVEMENT”. This award recognises your active participation in Science, Technology, Engineering and Mathematics (STEM) Tier 2 programmes, endorsed by Singapore Polytechnic (SP) and Science Centre Singapore (SCS).

During the course of the programmes, you have demonstrated your creative and innovative mind, which are important attributes of an engineer in making our world a better place.

Your “YEA ACHIEVEMENT” gives you an added advantage when you apply for the engineering courses<sup>1</sup> offered by Singapore Polytechnic School of Electrical & Electronic Engineering (EEE), and School of Mechanical & Aeronautical Engineering (MAE) during the Early Admission Exercise(EAE). Do bring along your YEA ACHIEVEMENT certificate for the EAE interview.

Once again, congratulations on achieving the YEA ACHIEVEMENT.

Yours sincerely,

Centre Director, ENGG
